DR. JAMIE PAJOEL

Founder & Global President
Jamie Pajoel International

MEET THE FOUNDER

Dr. Jamie Pajoel is a renowned Leadership Education Expert whose leadership approach is making waves internationally. He has become a globally recognized and sought-after workplace leadership trainer for Government officials and private institutions

As a Leadership Expert with experience in designing, implementing, and managing corporate training that fosters Human Capital Development, his approach offers innovative methods to Organizational Leadership. It includes real-life case studies and practical applications for managing varied personalities and an in-depth knowledge of why the human experience approach is vital to organizational success.

Dr. Jamie Pajoel is the founder of Workplace Leadership Institute—a Prestigious Leadership Certification Organization, aimed at creating transformative change in the way leaders relate and work with others at the workplace.

He is an author of two books (Executing with Excellence and Workplace Leadership).

He is the host of the **WORKPLACE LEADERSHIP CONFERENCE, CANADA**—a global platform where experienced Corporate Leaders provides expert knowledge-sharing to mid-level managers and new future workplace leaders on the relevant skills needed to navigate the corporate world, improve work performance, develop

Leadership competencies and drive organizational growth. It is about creating a safe place where diverse professionals across Canada can connect, learn and share ideas.

Over the last 15 years, he has trained more than 100,000 professionals from various organizations on leadership globally. Dr. Jamie Pajoel has received international recognition for his leadership development trainings. He recently received an honorary doctorate in organizational leadership from Myles Leadership University.

Dr. Jamie Pajoel was a delegate to President Bill Clinton's program in the United States of America and the recipient of the State of Michigan Leadership Award. He has delivered keynote speeches at different global platforms such as Johns Hopkins University, Carey Business School in Baltimore, Maryland, the African Union Headquarters in Ethiopia, the United States Embassy in Abuja, Nigeria, and the World Bank Summit, Washington, D.C.

Jamie Pajoel is the founder of JPI (Jamie Pajoel International) a Youth Leadership Development organization with a vision to equip young minds with the skills, knowledge, and mindset needed to excel as future leaders and entrepreneurs. Through Jamie Pajoel International, he currently serves as a mentor to over 22,000 young leaders in JPI.

PRESIDENT BILL
CLINTON'S REVIEW

JAMIE PAJOEL

is an incredible Leadership Consultant and I recommend
his Leadership Training to organizations - Bill Clinton, The
42nd President, United States of America

ABOUT JPI

Jamie Pajoel international is a global youth leadership organization designed to equip young minds with the skills knowledge, and mindset needed to excel as leaders and entrepreneurs. We recognize the importance and capacity of youth leaders to play a crucial role in driving community change and we are committed to providing a platform where youths can learn from industry leaders to date, JPI has successfully delivered leadership conferences in North America, Europe the Middle East, and Sub-Saharan Africa and we continue to grow each year building on our success and in-depth knowledge of the needs of our youths

Our Founder and Global President, Dr. Jamie Pajoel, has over 25 years of experience in youth leadership development. In 2014, Dr. Jamie Pajoel was recognised by the African Union as a youth hero, in 2018, he received the State of Michigan Leadership Award in the United States of America and was also a delegate to President Bill Clinton's recognition in the United States of America in 2023, he received a doctorate degree in organizational leadership from Myles University. As a youth leadership development expert, Dr. Jamie Pajoel has delivered over 1,000 keynote speeches on leadership of the national and international levels. Including at Johns Hopkins University: Carey Business School, Baltimore, Maryland: African Union Headquarters Ethiopia US Embassy. Abuja, Nigeria and World Bank Summit. Washington DC USA

EXECUTE
100,000
COMMUNITY
PROJECTS

ESTABLISH JPI CHAPTERS IN
30 COUNTRIES

OUR OBJECTIVES

Promoting Young Leaders

To celebrate young leaders contributing meaningfully to their immediate communities, workplace, business or social enterprise.

Enhanced Learning for youths

To provide a learning platform for the personal development of young and emerging leaders with an over all aim of equipping, encouraging and supporting them to steer innovative initiatives and solutions in their immediate environment.

Youth Empowerment

To advocate for more adult involvement in youth development across various sectors and foster intergenerational solidarity and learning opportunities.

Network Opportunities

To provide a networking platform for young leaders to meet their peers in the same sector, learn from industry experts and explore possible future collaboration, partnerships and mentorship.
